

The original Picquic, now with genuine Torx bits

Unlike many other product lines, at Picquic we only use actual *Torx* bits no *T star* or *star*, or any other names used to describe torx bits. Often these bits are not made the right way and will be loose once applied to screws. Your customers will appreciate the proper fit of our Torx bits and the value that Picquic provides.

Merchandise in blister package or the 12 piece pre-assembled counter display:

One standard bit assortment available

Standard bit assortment

Item #	Colours	Packaging	Ctn/MC
88155	Reflex Blue	Blister pack	12/120
88156B	Reflex Blue	Bulk display	12/120

Please note: Canadian packs are English and French; American packs are English and Spanish. All products can be sold to all countries.

Custom Picquic drivers

Custom logo Picquics are offered for orders of 48 or more of a particular model. We'll make an individualized print plate and apply your logo in durable epoxy ink to create a bold, long lasting impression. Enjoy enhanced word-of-mouth sales, or use branded Picquics as gifts for customers or employees. Inquire for details.
