

Stands up to the elements, unlike any other

The MARINER model is a premium Picquic screwdriver and is used primarily by boaters or in professions where tools are used out-of-doors or in harsh environments, such as pulp mills.

Only available in transparent aquamarine.

Merchandise in blister package or the 12 piece pre-assembled counter display:

These two bit assortments have been devised to be the most suitable for Canadian and American users. Other bit selections are available for specific applications, industries and other countries.

Canadian bit assortment

| Item # | Colours | Packaging | Ctn/MC |
